

Mercedes-Benz E320 W211

Description

Here is a car that we literally wait years to come in to our dealership here in Sydney. It’s a 2003 new series W211 Mercedes Benz E320 Elegance sedan in Obsidion Black with light grey leather trim and a superb 98,000 klms since new with a full up to date servicing history. Parking sensors, bluetooth capability, sun roof, cruise control, dual zone climate air, and in the most original condition. What a great colour combination and with under 100K and being an Elegance this model should hold it’s value very well moving forwards. Alloy wheels, electric seats with memory, satellite navigation, parking sensors, CD player and so much more we’re really very proud of this car. It will have a long life ahead of it if the new owner continues to service the car very well and hopefully you can come in to our showroom in person one day soon for a nice test drive.
