Mercedes-Benz E320 W211

Description

This is a stunning 2004 Mercedes Benz E320 Avantgarde sedan with a very low 83,000 klms since new and is one of the most original examples in black with black leather interior. Log books from new are all from Mercedes Benz and a couple are from a specialist here in Sydney. The Avantgarde has full leather, parking sensors, sun roof, alloy wheels, electric seats on both sides with memory settings and so much more. This is one of those cars we hope you have the time to come in to our dealership and have a good look and test drive. Only last week we sold the same car in an Elegance for similar money and we are finding that this very reliable W211 series is becoming very popular here in Sydney. Obsidian Black is one of the most desirable colours for resale value and it really does drive very well. Long NSW registration and a very nice car overall. We look forward to meeting you one day soon.

Here at the Oldtimer Centre® we are located at 101-103 Illawarra Road, Marrickville NSW 2204.
