Mercedes-Benz E320 W211

## Description

\*\* Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\*

– 2003 Mercedes Benz E320 Elegance sedan with 110,000 klms since new and just lovely

– this is an absolute stunner in every regard and we actually sold it a year ago for almost \$15K.

– the previous owner has spent so much on this car just getting it right with a more modern GPS system and it has an excellent servicing history from new – being an Elegance you receive alloy wheels, electric seats with memory, wood grain interior, factory sun roof, dual zone climate control air conditioning and so much more

– we think that after all our years in selling Mercs that this one really is one of the most impressive we have seen and can't wait to show you in person

– the grey leather interior still smells like new and is in pristine, original condition

– we see so many of this series and know exactly what to look for and this sedan certainly ticks all the boxes

– NSW registration until July 2019 and just a lovely car

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
