

Mercedes-Benz E320 W211

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2004 Mercedes Benz E320 Avantgarde sedan with only 72,000 klms since new and just lovely
– excellent servicing history from new all from Mercedes Benz dealers
– one owner in blue/grey with pale grey leather
– wide screen colour navigation
– this would have to be one of the lowest mileage examples for sale which is 15 years old – only 4,800 klms per year
– this is an absolute stunner in every regard
– being an Elegance you receive the nicer alloy wheels, electric seats with memory, a special wood grain interior, factory sun roof, dual zone climate control air conditioning and so much more
– we think that after all our years in selling Mercs that this one really is one of the most impressive we have seen and can’t wait to show you in person
– the grey leather interior still smells like new and is in pristine, original condition
– we see so many of this series and know exactly what to look for and this sedan certainly ticks all the boxes
– NSW registration but we will renew it for another 3 months as part of the transaction
