Mercedes-Benz E350 C207

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- 2009 update Mercedes Benz E350 Avantgarde Coupe
- only 69,000 klms since new
- you can tell that this car has had a very good life and been garaged by it's fastidious owner
- Zircon silver with pale grey leather
- both front seats are electric with memory
- alloy wheels
- large panoramic sun roof
- full servicing history from new with receipts
- all engine mounts replaced which is very common for this model
- both remote keys are present
- this was the top of the range six cylinder coupe and the 3.5 litre engine has loads of extra torque but still uses a very reasonable amount of fuel
- an absolutely stunning car at what we think is a very sensible asking price
- the lighter colour interior is a most desirable feature of this soon to be classic shape
- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
