

Mercedes-Benz E350 W211 MY08

Description

This lovely 2008 later series E350 Avantgarde Sport Edition Station wagon is in excellent condition especially for a black car. This has the newer 7-speed gear box and the 3.5 litre V6 engine, we find that most of these wagons have the older 320 engine, 5-speed gearbox and have travelled in excess of 200,000 klms in average condition. We are pleased to say that this car literally drives like it has done 40K and has a superb log book from Mercedes Benz and another specialist; it's only travelled 98,000 klms since new. The car has 7 seats, factory sun roof and is bluetooth ready. Being an Avantgarde you get the nice alloy wheels, navigation, wood grain interior, memory electric seats, CD stacker, brake assist, parking sensors, fog lights, a soft close rear boot and it has 2 remote control keys. Black with black interior is a great colour combination and we think that this car will sell very quickly to the first serious buyer.
