

Mercedes-Benz E500 W211

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– November 2006 Mercedes Benz E500 Elegance in Indium Grey
– 98,000 klms since new with a very good history
– we wait a long time for cars like this one to come up
– timber steering wheel
– power seats with memory for both people in the front
– drives extremely well
– this car would have cost well over $150K when new in 2006
– the W211 is still seen as one of the last real Mercedes Benz and with this 5.0 litre V8 engine you can’t go wrong.
– 225 kW and the better 7-speed automatic transmission
– Harmon Kardon sound upgrade
– AMG sport pack gets you the white stitching around the edges of the seats, AMG wheels, silver pedals and a black front grill under the bumper bar
– electric boot operation
– wide screen colour navigation
– can be bluetooth compatible with a small adaptor
– factory sun roof
– cruise control with speed limiter
– auto headlights and windscreen wipers

– loads of services from Mercedes specialists
– we have sold so many in this series and are fast becoming so fussy about how we prepare them for sale
– this will be a superb car for someone for many years to come – hopefully you!

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
