

Mercedes-Benz E500 W211 MY04

Description

Here is another stunning update series 2004 Mercedes Benz E500 Elegance sedan with just 53,600 klms with a very good and up to date G-Brothers Mercedes dealership service history from new. Cubanite with charcoal grey leather is by far the best colour combination in our opinion and this car is fitted with a very nice set of factory Benz alloy wheels. The car is the most unbelievable we have seen in many years and will really suit the fussiest of buyers. The full leather trim smells like new, both front seats are electric with memory settings, multi-function steering wheel, parking sensors, blue tooth compatible and the wider screen navigation being an MY04. With NSW registration this is just one of those very good sedans that has been extremely well looked after and has only recently been traded in on a new car here in Sydney. A true credit to the previous owner and a car that we really hope finds a very good home again and continues to hold it’s value very well moving forwards.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. competitive rates and are able to finance much older cars too.
