

Mercedes-Benz E55 W210

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– ABSOLUTELY stunning Mercedes Benz E55 AMG from 1999
– these are becoming extremely rare and this is a very very good example
– Zircon silver with full charcoal grey leather interior
– we actually sold this car some years ago to a very enthusiastic buyer and we are lucky enough to get it back and offer it for sale
– log books from new with additional receipts
– one of the best AMG sedans to come from Mercedes Benz over the years
– registered here in NSW until Mid-2019
– spare keys
– there are so many of these on the market and this one really does tick all of the important boxes
– the colour is stunning as is the condition of the paint
– the single coloured leather is far nicer than the two-tone which was also available in this series
– climate control air conditioning, electric seats, AMG hammer alloy wheels and a cruise control
– enormous amount of power from it’s beastly 5.5 litre V8 engine; 260kW with a whopping 530 Nm of torque helping her accelerate to 100 kph in 5.7 seconds, not bad from 1999.
– please take the time to come and see this beautiful car in person
