Mercedes-Benz E55 W210

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- ABSOLUTELY stunning Mercedes Benz E55 AMG from 1999
- these are becoming extremely rare and this is a very very good example
- Zircon silver with full charcoal grey leather interior
- we actually sold this car some years ago to a very enthusiastic buyer and we are lucky enough to get it back and offer it for sale
- log books from new with additional receipts
- one of the best AMG sedans to come from Mercedes Benz over the years
- registered here in NSW until Mid-2019
- spare keys
- there are so many of these on the market and this one really does tick all of the important boxes
- the colour is stunning as is the condition of the paint
- the single coloured leather is far nicer than the two-tone which was also available in this series
- climate control air conditioning, electric seats, AMG hammer alloy wheels and a cruise control
- enormous amount of power from it's beastly 5.5 litre V8 engine; 260kW with a whopping 530 Nm of torque helping her accelerate to 100 kph in 5.7 seconds, not bad from 1999.
- please take the time to come and see this beautiful car in person

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day so
