

Mercedes-Benz E63 MY07

Description

What a superb, stunning and amazing car these are. In fact as you can see there isn't just one word to fully describe a 2007 Mercedes Benz E63 AMG in Obsidian black with black leather interior. It's an MY07 which gets you the more modern 7-speed gearbox, it has basically every option you could hope for and it's 135,000 klms has been completely documented since this car was new. What a massive saving on the new car price and we are struggling to find a single mark or imperfection inside or outside this AMG. It also has a factory panoramic sun roof which was a very desirable and quite an expensive option when new in 07. Long NSW registration until July 2018 and a car we very much look forward to taking you on a good test drive in. You can also tell this car has not been thrashed not only from the way it drives and how tight it is but also due to the extremely good order of the interior, dials, buttons, headlining and door trims. Please take the time to come to our dealership in person and enjoy this lovely E63 in our showroom.
