Mercedes-Benz G350 W463 MY13

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- Awesome 2013 (update series) Mercedes Benz G350 BlueTEC wagon in black/black
- only 74,000 klms with full history
- Obsidian is one of the best colours and this car ticks all of the boxes
- the newer shorter gear shifter from the update, black alloy wheels, side steps, both remote keys and a very nice style of a car.
- these are such brilliant cars and certainly look the part
- they have ample room inside and are actually now being used in the Australian Army as they are such impressive vehicles
- the previous owners paid \$125K for this car some years ago so it's representing excellent value for money now and has done very little mileage since they purchased it
- this is the model to buy as it doesn't use a great deal of fuel from it's V6 turbo diesel engine
- adjustable diff locks, cross-axle traction control and 155kW and 550Nm of power
- There are cornering lamps, reversing camera, Bluetooth, a good sound system, 4Gb media centre, and a cruise control.

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
