Mercedes-Benz M-Class W164

Description

** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- 2006 Mercedes Benz ML320 CDi (Luxury)
- Cubanite with Tan leather
- only 128,000 klms since new
- log books/servicing history
- very clean car and is registered here in NSW until July 2020
- colour wide screen navigation
- blue tooth with an adaptor
- Xenon lights
- alloy wheels
- overall one of the nicest examples we have seen in a long time
- this might be a 13/14 year old car but just over 170 klms per week it literally is like new to drive
- we are so so fussy about these W164 series MLs that we hope you will agree that it's a car which certainly ticks a lot of boxes.
- please come in and see how good this 4WD is and what great value for money it represents.
- a lovely car in a lovely colour combination
- dual zone climate control air conditioning
- cruise control with speed limiter

- hopefully a car which will continue to hold its value very well moving forwards
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
