Mercedes-Benz ML280 CDI W164 MY08

## Description

Probably the stand out of the year here at our Sydney based dealership as the best used car we have come across. This absolutely lovely 2007 Mercedes Benz ML280 CDi turbo diesel 4WD has only travelled a mere 85,000 klms since new and looks stunning in Calcite white with charcoal full leather interior and a set of factory alloy wheels with good tyres. It has the luxury pack which included Xenon lights, Harmon Kardon sound, side steps, alloys, proper leather and a tow package. It has perfect log books from both Mercedes dealers and specialist, dual zone climate control air conditioning, January 2018 registration, cruise control, CD player, remote locking and overall a very nice car. These W164's are generally a superb car to own but in our opinion this model has so much going for it from it's excellent performance, low fuel consumption and great resale value. Please take the time to come in to our dealership and have a closer look at this new shape ML that was only just traded on a late model car here in Sydney.
