- overall one of the nicest examples we have seen in a long time
- this might be a 13 year old car but just over 100 klms per week it literally is like new to drive
- we are so so fussy about these W164 series MLs that we hope you will agree that it's a car which certainly ticks a lot of boxes.

– please come in and see how good this 4WD is and what great value for money it represents.

– a lovely car in a lovely colour combination

– dual zone climate control air conditioning

– cruise control with speed limiter

– hopefully a car which will continue to hold its value very well moving forwards

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
