

Mercedes-Benz ML350 CDI W164 MY10

Description

Definitely one of the best looking SUV’s on the market! This immaculate new shape turbo diesel 2010 Mercedes-Benz ML350 CDi Blue-Efficiency really steps it up in the looks and performance department with the factory AMG pack. Riding on large AMG alloy wheels with Airmatic height adjustable ride control and the ability to switch the suspension between firm (sport) and soft (comfort). The Zircon silver metallic paint over the black leather interior with brushed aluminium highlights both inside the cabin and on the exterior really set the ML apart. The Mercedes Command Navigation with Linguatronic, Logic7 surround sound, the ability to play music through SD cards are just a few of the features of the MMI interface alone. These paddle shifters can really make the most of the incredible amounts of torque the 3.0 Turbo diesel engine delivers. A staggering 510 newton meters! Fuel economy for this large SUV also belies belief with a combined cycle of just 9.8l/100km’s. With very good log book history, clearly garage kept and excellent low 103,016 km’s this Diesel SUV is only just properly run. We feel it represents excellent and look forward to hearing from you.
