

Mercedes-Benz ML63

Description

In the car industry one has to be very careful using words like perfect, un-marked and indistinguishable from new but here we have a rare beast that deserves a huge wrap. It’s another superb 2007 update series Mercedes Benz ML63 AMG with only 63,000 klms since new and has a Mercedes Benz service history, spare keys, reversing camera, blue tooth, and heated front seats with extra air pneumatic support settings. Literally every single space on the dash where there can be a button for an option is filled with something. These ML 63’s have the newer 7-speed automatic gearbox, a factory sun roof, alloy wheels, partial leather and suede interior and are such good value for money at under $45K. We sell a lot of this series and are becoming very fussy about what we choose to buy and are very proud to say that this is a special car. Here in Sydney it’s all about low mileage cars and you can just tell when you drive this car that it’s been very well looked after and not thrashed by a younger driver. Please take the time to come in to our showroom and have a drive of this very powerful 4WD. Registered in NSW until September 2018. What a credit to the previous owner.
