

Mercedes-Benz ML63 W166

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2013 Mercedes Benz ML63 update with PERFORMANCE PACKAGE
– black on black with a full Mercedes Benz servicing history from new
– what a stunning car which is already loaded with amazing features and this performance package also got some great extras
– Among other niceties, an extra $10,950 when new got you 30 per cent more turbo boost, adding 24kW and 60Nm (410kW/760Nm). It cuts the nought to 100km/h sprint to 4.7 seconds, remarkably with no penalty in fuel consumption or emissions.
– red brake calipers, alcantara head lining and inserts in the steering wheel, leather dash with stitching in white, Disegno factory floor mats, panoramic sun roof, heated and cooled seats, distance cruise, lane change assist are just some of the wonderful features of this cracking car
– we are so so fussy about what we sell and what’s nice is the $3,500.00 invoice from Mercedes that shows the recent service and brakes have just been done at 103K
– it also has the Harmon Kardon infotainment system with rear DVD access in both headrests (two bluetooth headsets and remote control are present)
– both original keys and factory 21 inch ally wheels which are unmarked
– registered in NSW and has an electric rear tail gate

– another nice feature is the voice command and bluetooth streaming for music
– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
