

Mercedes-Benz ML63 W166

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2013 Mercedes Benz ML63 update
– black on black with a full servicing history from new
– what a stunning car this is and has been previously owned by a very fussy European Car mechanic – this is a huge selling point
– red brake calipers, alcantara head lining and inserts in the steering wheel, leather dash with stitching in white, panoramic sun roof, heated and cooled seats, distance cruise, lane change assist are just some of the wonderful features of this cracking car
– we are so so fussy about what we sell and what's nice is the fact that a recent service and brakes have just been done
– it also has the Harmon Kardon infotainment system
– both original keys and factory 21 inch ally wheels which are unmarked
– registered in NSW and has an electric rear tail gate
– another nice feature is the voice command and bluetooth streaming for music

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy
