

Mercedes-Benz R-Class R350 CDI

Description

** Since 1994 our family business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

- this 2011 Mercedes Benz R350 CDi is what we refer to as the update series in an AMG Sport pack
- just 143,000 genuine klms with a very good service history from new
- the update gets the whole new front end with revised head and tail lights.
- it's a less rounded look like the older model and in this pale metallic grey with grey leather interior it's just stunning.
- it has been recently professionally detailed and we will have the alloy wheels refinished for sale
- it literally ticks every single box which is so important when buying a second hand car
- not only are we so very fussy but the previous owner of this 7-seats R-Class obviously was too
- colour navigation with reversing camera, parking sensors, rear air conditioning vents and so much more
- being an AMG sport pack you get a very nice mild body kit, a larger set of AMG wheels, sports steering wheel and pedals and much nicer seats. This

means that this car should certainly hold its value a lot better than a normal model moving forwards

– we are very proud to offer this turbo diesel R350 CDI for sale as it's so fuel efficient and less problematic than the V8

– NSW registration until January 2022 and a full history

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
