

Mercedes-Benz S-Class A217

Description

** Since 1994 our family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– The A217 Mercedes Benz S500 twin turbo DISEGNO PACK 4.7 litre is quite simply the best car in the world.
– the Disegno pack gets you the far nicer interior with cross thatching in the seats, disegno floor mats, alcantara head liner and so much more. We would think that this model would have a far better resale value than a normal S500 cabriolet
– This 2017 model has only travelled 18,000 klms since it’s one owner from new purchased it
– when this stunning beast came out it was around $350K and in the best colour by far, Perl white which is a very dark charcoal with black leather interior
– this is the newer series with the 9-speed automatic gearbox
– it was and still is considered one of the safest and advanced cars of its time.
– We cannot begin to describe how perfect this example is that has had one owner from Sydney’s elite Point Piper, 3 services from Mercedes Benz, spare keys, original log books and a huge list of options. From the comfort seat package, lane change assist, brake assist, soft close doors, keyless entry and start, Internet ready, GPS with traffic, 360 degree camera, blue tooth,

radar cruise, factory alloy wheels, heated seats, memory settings both sides, TV, 2 USB ports, electric boot, on board computer and literally the list goes on and on.
– What a massive saving off the new car price and we are so excited to offer this flagship Mercedes to you.
– Service and log books, August 2020 registration and please take the time to come and see us in person “but we need you to make an appointment please as the car is store off-site”

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
