** WINNER of the 2020 Local Business awards for Outstanding Automotive Services**

– We are proud to present a well loved and maintained MY07 Mercedes Benz S350
– Stunning Mercedes silver metallic paint with black leather interior. This is a superb colour combination and this design has aged much better than the newer modular W222 and W223 S class
– This car was owned by an elderly gentleman from the North Shore Mosman area as his final retirement car and only driven 12,000 kilometres per year
– Optioned timber wheel with gear shifting buttons on the back of the steering wheel and leather dash interior
– The leather and interior is like new
– Reversing camera, satellite navigation and sunroof
– Alloy wheels unmarked
– Registration until March 2021 and good tread on the Pirelli tyres
– The vehicle has been test driven over 500km and serviced by our local experienced mechanic and the engine purrs smoothly. Our mechanics have checked the balance shaft bearing issue and there are no issues to report. At

177,000 any issues would be evident by now but we don’t see this as not all M272 engines were effected
– it’s one of those cars we are tempted to keep personally as it’s such a smooth ride with a very nice feel from the steering, brakes and throttle.
– this S350 goes down the road just like it should and everything is as it should be on this S class. They’re very reliable cars to own
– If you’re after a super clean, very attractive luxury sedan at a great price, this S350 is automotive perfection. It’s exactly what you’re looking for.
– we look forward to meeting you in person one day soon for a nice test drive

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
