

Mercedes-Benz S-Class S430

## Description

**\*\* Since 1994 our Family run business has been specialising in prestige European car sales from our indoor warehouse in Sydney \*\***

- 2003 MY 2004 Mercedes Benz S430 4.3i Long wheel base
- November 2003 compliance means it's the update series with the 7-speed automatic gearbox and newer navigation system which saw the wider colour screen and better bluetooth fibre optics
- July 2022 NSW registration
- The Green black is just an amazing colour with Black leather interior
- really when you think about the mileage on a well serviced 4.3 litre V8 Mercedes its not too overly high
- this was considered one of the best S-Classes in it's day and we absolutely love it
- too many of this series have been smoked in, used as hire cars, repainted and not loved. This is the total opposite and we can't wait to show you
- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon

\*\* open for CLICK AND COLLECT only. The showroom is physically closed to the public for viewings however you can still buy a car remotely with money back guarantees. Simply call or email us and we will explain exactly how it works. We can even deliver the car to your front door. Thank you for your cooperation in these difficult times \*\*
