- really when you think about the mileage on a well serviced 4.3 litre V8 Mercedes its not too overly high
- this was considered one of the best S-Classes in it's day and we absolutely love it
- too many of this series have been smoked in, used as hire cars, repainted and not loved. This is the total opposite and we can't wait to show you

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
