Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– update series 2008 Mercedes Benz S320 CDi long wheel base in black with black leather interior
– these are a highly sought after model and this one certainly ticks a lot of boxes
– originally sold new overseas these turbo diesel sedans are a bullet proof model
– this has been a privately owned car and not used as a hire car
– recently traded in on a new Mercedes Benz here in Sydney
– registered until June 2019 and in our opinion this car is priced very well
– only recently we were selling these for over $50K and this is a clean, original example that will certainly turn a lot of heads
– dual zone climate control air conditioning
– factory alloy wheels
– parking sensors
– well maintained and serviced
– this car certainly looks like it’s been garaged and travelled a fair bit of highway miles
