Mercedes-Benz S350 MY05

Description

This 2005 update Mercedes Benz S350 with 85,000 km has it all. From the stunning light silver with the charcoal grey leather interior, service books from new, navigation, blue tooth, alloy wheels and just one of those very well looked after cars that will make any fussy buyer happy. We sell a lot of W220 series S-Class and know exactly what to look for, we are pleased to say that this car ticks all the boxes. The condition of the leather is absolutely amazing, the paint is pretty much unmarked, the door trims, tyres and dash condition are excellent. Please take out the time to come and look at this S350 2005 which has the more modern front lights, wider colour navigation screen, parking sensors all round, cruise control, dual zone climate control air conditioning and memory electric seats drivers and passenger side. It comes with registration until March 2019.
