

Mercedes-Benz S350 V220 MY04

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this lovely 2004 update (new series) Mercedes Benz S350 Long wheel base has only travelled 85,000 klms since new
– very good Mercedes servicing history from new
– this car was sold two years ago in Melbourne for $29,950.00
– Armandine is a stunning burgundy with black Nappa leather interior
– very good servicing history
– after market navigation with blue tooth and front and rear reversing camera as options
– being a long wheel base and sold as the “chauffeur” series this car hasn’t actually been used as a hire car but was more for the wealthy businessman who would be driven to and from work
– the S350 just has one of the most beautiful feel about it and this one is also registered until January 2020 which is a very nice bonus
– dual zone climate control air conditioning
– power seats all through the car with memory settings in both front seats
– we see so many of this V220 series and this one is a stand out and we do have the original sound system if someone buys it and wanted to keep it original
– the previous owner was a real enthusiast and traded this car in on one a newer S-Class Mercedes which is always nice to see

– this is a lovely car which you really need to come in to our dealership in person and see and drive yourself to fully appreciate
– to be honest we would probably be asking the same money for this car if it had travelled an extra 20,000 klms
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
