Description

This 2011 AMG Sport pack S350 BLUETEC is the best of the all new W221 series S class in Zircon Silver with black Leather interior and also features a woodgrain steering wheel and larger AMG styled alloy wheels. Being an S-Class it comes with a plethora of options; the S class is laden with reverse camera, bluetooth, navigation, electric memory seats, you can even control the passenger seat from the drivers side along with many other options truly making it a very appealing prospect considering the new price of the car. Being an AMG sport you get a slight body styling kit, silver and black pedals, sports suspension which is adjustable and still very smooth, black front grill, soft closing doors and this even has night vision. Airmatic suspension eliminated road imperfections and the insulation Mercedes packed into these Flagships results in one of the quietest rides money can buy. With a Mercedes Benz fully documented 57,000 kilometre's since new it is barely broken in and offers the new owner all the quality and prestige the S-class Marque is known for without the price tag. The features of this S350 are too numerous to list, standouts are the timber steering wheel, daytime running lights, the AMG alloy wheels, tinted windows, 12-way power seats, dual zone climate control, electroluminescent gauges and so much more. We can't wait to show you this beautiful car in person. NSW rego until October 2018 and a load of receipts from Mercedes Benz.
