Mercedes-Benz S430 W220

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- another stunning 2004 Mercedes Benz S430 in black which we have sold previously here at our dealership
- the black leather interior is also superb and this is a car which has literally been treated like a baby from new
- we sell a lot of this W220 series and this certainly is a stand out at just under \$18K

- November 2004 compliance means it's the update series with the 7-speed automatic gearbox and newer navigation system which saw the wider colour screen and better bluetooth fibre optics

- this is the more popular short wheel base and was sold new by Mercedes Benz here in Australia

- we just sold our client the newer shape S-Class and as with a lot of our buyers they will return to buy the next shape in a few years time

- really when you think about the mileage on a well serviced 4.3 litre V8 Mercedes that is 15 years old, 160,000 klms is only around 12,000 klms per year

- this was considered one of the best S-Classes in it's day and we absolutely love it

- too many of this series have been smoked in, used as hire cars, repainted and not loved. This is the total opposite and we can't wait to show you

- we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
