

Mercedes-Benz S500 W222

Description

The W222 Mercedes Benz S500 twin turbo 4.7 litre is quite simply the best saloon in the world.
In 2014 when this stunning beast came out it was around $300K and in the best colour by far, Magnetite Black which is a very dark charcoal with black leather interior it was and still is considered one of the safest and advanced cars of its time. We cannot begin to describe how perfect this 32,000 klm example is that has had one owner from Sydney's elite Point Piper, 3 services from Mercedes Benz, spare keys, original log books and a huge list of options. From the comfort seat package, dual sun roofs, lane change assist, brake assist, soft close doors, keyless entry and start, Internet ready, GPS with traffic, 360 degree camera, blue tooth, radar cruise, factory alloy wheels, heated seats, memory settings both sides, TV, 2 USB ports, electric boot, on board computer and literally the list goes on and on. What a massive saving off the new car price and we are so excited to offer this flagship Mercedes to you. Service and log books, 2019 registration and please take the time to come and see us in person. We are so passionate about Mercedes Benz and can't wait to show this car off. "These plates OLD do not come with the car".
