2009 Mercedes-Benz SL350 – R230 Facelift – Stunning Colour Combination

An absolutely stunning example of the updated R230 Mercedes-Benz SL350, finished in a beautiful special metallic black with contrasting tan leather interior.

This is the highly desirable MY09 facelift model, instantly distinguished from the earlier R230 by its completely redesigned and far more aggressive front end, new grille, revised bonnet, headlights and bumpers. It gave the SL a much more contemporary appearance and today remains one of the best-looking generations of Mercedes-Benz's legendary SL roadster.

Powered by the superb 3.5-litre naturally aspirated V6, producing approximately 232kW and 360Nm, and coupled to Mercedes-Benz's smooth 7-speed automatic transmission.

What really sets this particular car apart is its exceptional history from new. It has clearly been cherished throughout its life and presents beautifully both inside and out.

Features include:

- 3.5-litre naturally aspirated V6
- 7-speed automatic transmission
- Electrically operated folding Vario hardtop
- Full tan leather interior
- Electrically adjustable front seats with memory
- Heated front seats
- Dual-zone climate control
- Satellite navigation
- Premium multi-speaker sound system
- Multi-function leather steering wheel
- Cruise control
- Front and rear parking assistance
- Xenon headlights
- Rain-sensing wipers
- Automatic headlights
- Electronic Stability Program
- Traction control
- PRE-SAFE safety system
- Multiple airbags
- 18-inch alloy wheels

The metallic black over tan leather combination suits the SL beautifully and gives this car a far more distinctive and elegant appearance than the more commonly encountered black-on-black examples.

The R230 was an extraordinarily sophisticated car when new, combining the comfort and refinement of a luxury Mercedes-Benz coupe with the ability to transform into a genuine open-top roadster at the touch of a button.

The facelift SL350 is particularly desirable, combining the later styling with the wonderfully smooth naturally aspirated V6 and avoiding the enormous

complexity and running costs associated with the V8 and AMG versions.

With its perfect history from new, beautiful colour combination and superb condition, this is the sort of SL that is becoming increasingly difficult to find.

A genuinely stunning example of one of Mercedes-Benz's great modern roadsters.

- we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.
- this car will be mechanically checked over and receive a NSW roadworthy permit
- we are so excited to show you this fine example and look forward to meeting you in person one day soon
