– 2004 Mercedes Benz SL350 Roadster
– a staggeringly low 16,000 klms since new and garaged every day of it’s life
– a very very fussy owner
– Obsidian black with cream unmarked leather interior
– perfect condition throughout
– excellent log books from new
– 2 keys
– factory alloy wheels
– electric hard top
– this car should hold it’s value extremely well moving forwards with these lower klms
– the car actually smells like new still
– one of the finest examples we have seen and driven
– being a 350 it is lighter and does not have the troublesome airmatic suspension
– the actual suspension and gearbox are all exceptional as expected
