Mercedes-Benz SL500 R230

## Description

What an unbelievable find this car is! It is truly in the most stunning, original condition. March 2003 Mercedes Benz SL500 Roadster in Zircon silver with medium grey leather interior and only 54,000 klms since new and will include some sort of NSW registration. Alloy wheels, leather wheel, BOSE sound good Mercedes service history with all services in total and simply one of the loveliest SL's on the market today. Mercedes Benz Command navigation, leather seats, unmarked paintwork, superb interior condition and just one of those cars you know has been pampered and certainly garaged. We literally wait years for cars like this to come up and are so so proud to take the time to show you, have a test drive and hopefully you'll agree on the impeccable condition of the roadster. They come standard with an electric hard top, dual zone climate control air conditioning, power seats with memory and massage settings as well as the usual blue tooth and navigation as standard. This series would have to be the next car to be really classed as a classic car in years to come and hopefully hold it's value very well moving forwards.

Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. to finance much older cars too. Extended warranties are available from an excellent company supported by Lloyds of London and our main aim is to form an ongoing relationship with you for many years. We're also an agent for the NSW Roads and Maritime Services so transfer of registration etc can be done at our office. Please contact us for a very personal experience and as always a great deal on price.
