

Mercedes-Benz SLK-Class R171

Description

** Since 1994 our Family owned business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2007 new series Mercedes Benz SLK350 with 84,000 klms in 13 years which is nothing for this engine
– electric hard top
– powerful 3.5 litre engine
– very long NSW registration until February 2021 – what an excellent sign of a previous owner trading in a car just after putting rego on
– the electric hard top is fast and very easy to use. A heated glass rear screen is a fabulous feature as well as being very safe
– Zircon silver with black leather is an excellent colour combination
– this car really does tick a lot of boxes and we are so proud of it
– we are very excited to offer this gorgeous car in the middle of summer and look forward to taking you for a decent drive one day soon
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy permit
– we are so excited to show you this fine example and look forward to meeting you in person one day soon
