

Mercedes-Benz SLK230 Kompressor R170

Description

It’s very rare to find one of the last of the series “Special Edition” 2003 Mercedes Benz SLK230 Kompressors in this sort of condition. Zircon silver with black leather trim, 94,000 klms since new, perfect service books and being the last of the series it has the Nappa leather trim, better factory alloy wheels, aluminium inserts, after-market bluetooth and overall an extremely good car in every regard. The previous owner traded this car in on a more modern shape SLK we had but you could certainly tell he was a very fussy car enthusiast. He didn’t even want us to detail the new car for him as he wanted to do it himself! This is excellent value for money being a special edition and being one of the final years of production and has NSW rego until September 2018.

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too.
