

Mercedes-Benz SLK280 R171 MY06

Description

This stunning 2005 (MY06) Mercedes Benz SLK280 has only traveled 40,000 klms since new and has an incredible log book servicing history from new. In fact it has been over-serviced by Mercedes Benz and has also had a $2500.00 after-market GPS, DVD, Bluetooth and rear camera system installed which looks superb. These cars have an electric hard top, cruise control, speed limiter, heated seats and this also has the scarf heater for the back of your neck to keep you warm in winter and a very nice set of factory alloy wheels. This is a beautiful colour combination too; Cubanite with black and and it’s a colour that doesn’t show up too much dirt or get too hot in the summertime. What a great find with such a clean history.
