

Mercedes-Benz SLK320 R170

Description

Absolutely stunning one owner since new 2000 Mercedes Benz SLK320 Roadster in Zircon Silver with black leather and loaded with lovely factory options. It’s only travelled a staggeringly low 110,000 klms since new and every single service carried out at the Merc dealership and it’s just one of those beautiful cars you simply have to drive to believe how tight and clean it is. Having been garaged since new the headlights, leather, paint, dials and buttons inside are all in very good order and a lot of these R170 chassis cars really are let down by poor interiors. Merc alloy wheels and just one of or if not the best SLK’s for sale in Sydney. Most importantly is that pure 6-cylinder engine and the most amazing exhaust note with or without the fully electric hard top on or off. Everything works and we very much look forward to showing off this superb little roadster to you in person as we are so proud of it. NSW rego until June 2018.
