

Mercedes-Benz SLK350 R171 MY09

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– 2009 new series Mercedes Benz SLK350 with 84,000 klms in 10 years which is nothing for this engine
– electric hard top
– heated scarf feature which is awesome for driving in winter and keeping your neck warm
– powerful 3.5 litre engine
– very long NSW registration until January 2020 – what an excellent sign of a previous owner trading in a car just after putting rego on
– the electric hard top is fast and very easy to use. A heated glass rear screen is a fabulous feature as well as being very safe
– Zircon silver with black leather is an excellent colour combination
– this car really does tick a lot of boxes and we are so proud of it
– there aren’t too many 2009 models for sale with most on the market being from 05-07. This car is a lot easier to finance and we believe at this asking price is excellent value for money
– we are very excited to offer this gorgeous car in the middle of summer and look forward to taking you for a decent drive one day soon
– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.
– this car will be mechanically checked over and receive a NSW roadworthy
