

MG TF

Description

At over $52,000.00 when brand new this would have to be the best models available the 80th anniversary 160 series 2004 MG TF’s, this one now with only 72,000 original klms from new They are rear wheel drive and have 118kw and accelerate from 0-100 kph in 7.8 seconds. The 80th Anniversary series and has a lovely burgundy soft top, cherry red suede inserts in the seats as well as door trims, and a nicer set of 11 spoke 16 inch MG alloy wheels to set it off. A wind breaker was standard, chrome highlights on the dash, doors, handbrake, gearshift and steering wheel. With a very fastidious owner this particularly stunning car has been garaged since it was brand new from what we can tell and doesn’t require money to be spent on it to start enjoying it from day one. The metallic black paintwork is excellent and like all true sports cars it’s a manual. NSW registration, all literature and history from new we think this is extremely good value for money considering recent sales we have made here at our dealership in Sydney.
