

MINI Cabrio MY09

Description

This gorgeous fully automatic 2010 Mini Cooper “S” cabriolet has only travelled 132,000 klms since new and is the stunning yellow with black interior and has been owned by a family in Sydney’s North shore. Not only has this car been recently serviced but they did the very important timing chain job in the last few months prior to being sold but it’s registered here in NSW until November 2018 and is in superb condition for an 8 year old car. It has alloy wheels, air conditioning, an electric soft top and we have been selling Mini’s for over 20 years and are becoming so fussy about what we actually choose to sell. It’s a very tight car and being a 2009 it has the more modern gearbox which are very reliable. Please take out the time to come in and see us and have a drive of this very cool little Mini!

Here at the Oldtimer Centre® we are located at 29-31 Antoine Street, Rydalmere, NSW 2116. Our very passionate expert staff have over 24 years of experience in buying and selling over 5,000 prestige motor vehicles here in Sydney since 1994, we are MTA Members, and each car has a narrated 3-5 minute high definition video on our own web site. We have two in-house full time mechanics who are very experienced and personally inspect every car that we have for sale. We now offer in-house finance with extremely competitive rates and are able to finance much older cars too. Interstate transport can be arranged easily, car history reports are available upon request, we don’t buy our cars from auction houses and we are located only
