

MINI Clubman R55 MY10

Description

What a great all round car this is – a 2010 Mini Clubman Cooper “S” in automatic that’s the very desirable pepper white with black interior and a panoramic sun roof. 84,000 klms in 8 years is nothing for one of these and it has a very good and up to date servicing history from new as well as being registered here in NSW until September 2018. These are a hot hatch that aren’t a small car like most Mini’s and have the small third door to make it easier for people to get in and out of the back. You get some very snazzy sports options such as bluetooth, parking sensors, alloys, climate control air con and hopefully a far better resale value moving forwards than a normal Cooper. This isn’t a car that has been thrashed by any means and was purchased by a young lady in Sydney’s Eastern Suburbs. We’re so picky and fussy when it comes to second hand Minis and are very proud of this particular car and hope you will be too when you come in and see it in person. We very much look forward to meeting you soon and it’s only just had a service and new tyres too!
