

MINI Hatch F56

Description

With 170kW and 320 Nm of torque this 2015 Mini John Cooper Works three door hatch is still under new car warranty with only 13,000 klms and is the current shape Mini Coupe manual and has it all! Wide screen colour navigation, blue tooth, black with a white roof and with black interior looks stunning and this is a superb car in every aspect. This JCW was a fair bit more expensive than a standard Cooper S This is a great saving off a new car with only 13,000 klms since new and it still smells like a new car. We are very fussy about the sort of cars we sell and this certainly ticks every single box. With NSW registration until January 2019 this car is in near new condition and has had a very fussy owner. Standard gear extends to 18-inch alloys around Brembo four-pot brakes, BMW’s professional sat nav software displayed on an 8.8-inch screen, LED headlamps and a head-up display with engine rev readout, gear indicator and shift lights.We are so proud of this car and can’t wait to show it to you one day soon.

The Oldtimer Centre® is located at 29-31 Antoine Street, Rydalmere, NSW 2116.

* located 15 minutes from Sydney Airport with plenty of off-street parking
