

MINI Hatch F56

Description

What a stunning little R56 series Mini Cooper “S” this is with only 18,900 klms since new. It’s the very new twin turbo engine built by BMW, has the very rare 6 speed manual gearbox and is just one of the more fun cars you will ever drive. In black with a black roof, interchangeable side mirrors (we have the black ones) nicer alloy wheels, colour navigation, blue tooth, reversing camera and parking sensors. This is a good saving on what a brand new car would cost today and being an R56 series car it really is a stand out from the older models. We sell so many Mini’s and it’s such a pleasure to find one like this which certainly ticks all of the boxes. Log books, spare remote keys, key-less start and so much more. Please take out the time to come in and see this gorgeous car in person one day soon. NSW rego until June 2018.
