MINI Hatch R56 LCI

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– this lovely Pepper white 2012 Mini Cooper hatch has only travelled 35,000 klms since new

– good servicing history

– a very tidy little car that is priced very well in our opinion with these low klms

– these have loads of great features and will hopefully hold it's value very well moving forwards

– fold down rear seats

– air conditioning

– power windows

– one of the best colours by far!

– we are extremely thorough about the sort of cars we buy and go over them with a fine- tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
