Peugeot 407

Description

This striking 2006 Peugeot 407 HDi coupe finished in silver is in absolutely superb condition and a very highly optioned car. It has now been traded in on another brand new car here in Sydney and we are lucky enough to have been given the opportunity to buy it and pass it on . The interior is swathed in beautiful dark charcoal leather which has to be seen to be fully appreciated. Being a large coupe, room is commodious, even for rear seat passengers, which are provided with their own air vents, a rarity in coupes. This particular example is an enthusiasts dream with all the high end options including a JBL premium audio package, bluetooth, sports bolstered steering wheel and parking sensors both front and rear. Equipped with the wonderful automatic transmission for the engaging driver to really get the most out of this beautiful Grand Tourer. It is rare to see a 407 coupe and even more scarce to see them in such exceptional condition with all the options and low mileage. Accompanying the car are full Peugeot Log books and registration until February 2018. This is literally the best of the best we have seen for sale in NSW and we are so fussy.
