Peugeot 508

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– 2013 Peugeot 508 GT sedan with a perfect servicing history from new by Peugeot

– the GT was the top of the range and this is the very desirable 2.2 litre turbo diesel engine

– these cars have absolutely everything you could hope for in a late model sedan from heated seats, sun roof, full leather interior, alloy wheels, cruise control, satellite navigation, blue tooth and parking sensors/reversing camera.

– we have sold these before and not only are they a perfect touring car but are also very sensible for a family wanting a nice sized city car that is so stylish

– the 508 might be the larger car from Peugeot but they certainly don't drive like a massive car at all.

– we are told this car travelled some country miles and was owned by a slightly older couple that really did look after the car well. It has never missed a service and is registered in NSW until late June 2019

– having worked in new and second hand cars for 25 years we are so fussy about the sort of cars we sell and this is a good all-round purchase

– we are very excited to show you this car in person and we look forward to meeting you one day soon

– we are extremely thorough about the sort of cars we buy and go over them

with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
