

Porsche 911 Carrera 997

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this stunning 2007 Porsche Carrera 4S tiptronic is quite simply one of the best cars you will see in a very long time.
– with only 71,000 klms since new “Herbie” as it’s named by it’s previous owner has been fitted with “series II” lights by Porsche Centre Sydney. This was many thousands of dollars and looks unbelievable
– the log books are perfect as is the car
– there is literally not a mark on her and we are so so proud to offer it for sale
– in fact we sold this fine example to the previous owner and he has absolutely loved this car every single day
– this was a very difficult decision for him to make but it’s on the market and we are so lucky to have the opportunity to find Herbie a new home
– metallic black with tan leather interior
– it still smells like the day it rolled off the showroom floor
– the paint, seats, carpets, hood lining, engine bay and boot area are all unmarked.
– we are open to any inspection and can’t wait to show off this superb example of the “4S” series
– something about an all wheel drive 911 which just makes you feel honoured to drive it
– the plates will not be sold with the car and it’s registered until September
