

Porsche Boxster 986

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

– this superb 2004 Porsche Boxster “S” ticks every single box when looking for a second hand sports car
– under 75,000 klms
– fully serviced
– a great condition and in metallic black with black leather and it looks stunning
– it’s the very desirable “S” model in automatic which is quite desirable
– immaculate condition throughout
– sold new by Porsche here in Australia
– registered here in NSW but we will extend it for another 3 months upon sale
– only just recently we sold a normal Boxster (not being an S) for almost the same money with slightly less mileage
– the “S” gets you more power with its 3.2 lire 6 cylinder engine as opposed to the standard 2.7 litre engine
– it can power its way from rest to 100 km/h in under six seconds and run all the way to 260 km/h. A small spoiler pushes out from above the rear bumper at speeds above 120 km/h to increase stability.
– everything works perfectly from the electric soft top, air conditioning, the awesome sound system and the interior is in superb condition which is so
