Porsche Boxster 986

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **

- this superb 2004 Porsche Boxster “S” ticks every single box when looking for a second hand sports car
- under 75,000 klms
- fully serviced
- a great condition and in metallic black with black leather and it looks stunning
- it’s the very desirable “S” model in automatic which is quite desirable
- immaculate condition throughout
- sold new by Porsche here in Australia
- registered here in NSW but we will extend it for another 3 months upon sale
- only just recently we sold a normal Boxster (not being an S) for almost the same money with slightly less mileage
- the “S” gets you more power with its 3.2 litre 6 cylinder engine as opposed to the standard 2.7 litre engine
- it can power its way from rest to 100 km/h in under six seconds and run all the way to 260 km/h. A small spoiler pushes out from above the rear bumper at speeds above 120 km/h to increase stability.
- everything works perfectly from the electric soft top, air conditioning, the awesome sound system and the interior is in superb condition which is so

important in these cars as there are so many rough ones out there

– we are extremely thorough about the sort of cars we buy and go over them with a fine-tooth comb.

– this car will be mechanically checked over and receive a NSW roadworthy permit

– we are so excited to show you this fine example and look forward to meeting you in person one day soon
