

Porsche Boxster 986 MY02

Description

** Since 1994 our business has been specialising in prestige European car sales from our indoor warehouse in Sydney **
– this superb 2002 Porsche Boxster “S” ticks every single box when looking for a second hand sports car
– under 100,000 klms
– fully serviced
– a great condition and in silver with black leather it looks stunning
– it’s the very desirable 6-speed manual transmission only available in the “S”
– immaculate condition throughout with nothing to spend
– sold new by Porsche here in Australia
– registered here in NSW
– only just recently we sold a normal Boxster (not being an S) for almost the same money with slightly less mileage
– the “S” gets you more power with its 3.2 lire 6 cylinder engine as opposed to the standard 2.7 litre engine
– it can power its way from rest to 100 km/h in under six seconds and run all the way to 260 km/h. A small spoiler pushes out from above the rear bumper at speeds above 120 km/h to increase stability.
– just wait until you experience 100 to zero in only 2.7 seconds.
– everything works perfectly from the electric soft top, air conditioning, the awesome sound system and the interior is in superb condition which is so important in these cars as there are so many rough ones out there
